GENERAL INFORMATION RECITAL 2023

PLEASE READ THIS DOCUMENT IN ITS ENTIRETY!

*** Attendance at BOTH spacing AND dress rehearsals are REQUIRED**

**** It is an extremely important part of the process.**

WHAT DO I NEED TO DO BEFORE I COME TO REHEARSALS AND RECITAL?

1) **READ AND RE-READ YOUR EMAILS REGARDING RECITAL INFORMATION.** Once we are at the theater the week of the show, we are not able to check emails regularly, and will not be at the studio to check voicemails. Please check with a fellow dance parent to see if any of your questions can be answered before contacting us. We are here to assist you with any urgent questions. But, we will not have the time to answer all email questions.

2) **LABEL EVERYTHING** - Please label everything (shoes, costumes, etc) with your dancer's name.

3) **PREPARE COSTUMES** - Please double check that you have all of your costumes together and stage ready. This includes steaming any costumes that have excessive wrinkles.

- **TIGHTS** - dancers should have a pair of tights (pink for ballet, skin colored for jazz or tap and NO tights for Acro)
- **COSTUME** - Please make sure you have your costume and all of the pieces that it came with
- **HEADPIECE** - some costumes came with a hair accessory and some did not. If your costume came with one, please wear it on the dancer's right side of their bun. If your headpiece is a ponytail holder, it will not be worn.

THEATER POLICIES:

There is no food or drink allowed in the building at all (this includes the lobby and auditorium). The building is very strict in enforcing this rule. For dancers staying for multiple shows on recital day, we will be able to eat in the black box dressing room. However, food and drink must be contained to that room. This applies to parents and our faculty and staff as well.

Please use the dressing rooms or restrooms for putting on makeup or fixing hair. They do not like these items to be used in the lobby. We appreciate your assistance with that.

BACKSTAGE / DRESSING ROOM NEED TO KNOW:

- Please do not send anything backstage that can stain your child's costume. This includes colored drinks or food, markers, makeup, etc.
 - If you would like to send makeup backstage for touch ups, please label and give directly to the class mom or sitter and they can apply it if needed.
 - You might want to send a blanket for your dancer to sit on backstage
 - Please feel free to send activities for your child to do backstage. However, please do so with caution, as we are not responsible for lost items
-

MAKEUP:

We always recommend some makeup for all dancers (girls and boys) so that they don't get washed out on stage under the lights. That being said, we don't require a certain level of makeup, and it is up to you. We highly recommend mascara, blush, and lipstick for minimum coverage. No lipstick for boys. Regarding lipstick, it would be best to choose a lipstick that will not rub off (such as lipsense or something similar). Dancers in multiple numbers may consider a setting powder or spray to lock in their makeup as they are dancing and sweating more.

HAIR:

ALL dancers will wear their hair in a low bun with a center part. I have attached a few links for how to do this hairstyle and secure the hair neatly, if you need a resource for reference. If your dancer has short hair that will not go into a bun, please gel the sides back and secure at the nape of the neck to achieve a similar look to a bun. **All hairpieces, unless stated otherwise, should be pinned securely on the right side (their right side) of the dancer's bun.** If you have a hairpiece (ponytail holder) that doesn't fit around the bun, it will not be worn.

THE DAY OF SPACING & DRESS REHEARSAL - PLEASE ARRIVE 30 MINUTES PRIOR TO YOUR SPACING AND 45 MINUTES PRIOR TO YOUR DRESS REHEARSAL TIME

ARRIVE READY TO DANCE - We suggest that you get your dancer dressed and their hair and makeup done at home. The fewer items that your dancer has backstage with them, the better. Ideally, you will drop your dancer off in their dressing room wearing their first costume and dance shoes.

COSTUME CHANGES - If your dancer has a costume change, please come dressed in their first costume, and bring all of their other costumes and shoes with them to put in their dressing room

SPACING REHEARSAL ARRIVAL - please arrive 30 minutes early

- All dancers will wait in the first few rows of the house left section of the auditorium with their class. They should be wearing their dance shoes so they are ready to dance. **NO STREET SHOES ARE ALLOWED ON STAGE.**
- Parents can wait in the auditorium for their dancers.
- If your dancer has their spacing rehearsal scheduled before 4:00 p.m., they do not need to wear their costume and have hair and makeup already done. They do need to be wearing their dance shoes for their spacing rehearsal, though.
- All dancers with spacing rehearsals after 4:00, should arrive in costume with hair and makeup already done.
- All dancers are free to leave the spacing rehearsal after their last spacing rehearsal has finished. All dancers must be back 45 minutes prior to dress rehearsal. Some dancers will not be able to leave between spacing and dress rehearsal if their spacing is scheduled close to dress rehearsal time.
